

We make it easy to buy authentic Tortuga Rum Cakes imported from the Cayman Islands. These delicious cakes are baked fresh daily using only the finest ingredients, including imported walnuts and specially blended, 5-year-old, oak barrel aged Tortuga Gold Rum. This one of a kind Rum is *not* available to the public, which means these cakes cannot be duplicated! Each cake is individually hand glazed then vacuum packed, and heat sealed, ensuring a shelf life of 6 months, or indefinitely if refrigerated or frozen. A cake by any other name is not the same.

Treat yourself and your family to an original Tortuga Rum Cake, best served along side a steaming hot cup of our gourmet coffee!

The 16oz and 33oz rum cakes are available in a variety of delicious rum flavors.
